TO WHOM IT MAY CONCERN

I declare that tissues from cats or dogs to be sent from China

1. Samples will be from healthy animals
 2. Have no monetary value, and will be used for research only.
 3. Samples will be handled with utmost safety in my laboratory approved to handle infectious organisms. These samples should pose no health risk to persons transporting them.
 4. Each sample will be in a separate plastic bag and then bagged again for safety.
- Serum samples will be in screw capped vials.

A handwritten signature in black ink, appearing to read "J.P. Dubey", with a long horizontal line extending to the right.
